PROFESSIONAL SUMMARY

Full Stack Web Developer with hands-on experience in the MERN stack (MongoDB, Express.js, React.js, Node.js). Proficient in building scalable RESTful APIs, responsive frontend interfaces, and complete web applications. Completed internship at DRDO. Solved 50+ DSA problems on LeetCode using Java. Strong understanding of authentication, role-based access control, and database design.

TECHNICAL SKILLS

Programming Languages: JavaScript, Java, HTML5, CSS3

Frontend: React.js, Tailwind CSS, EJS, Responsive Web Design

Backend: Node.js, Express.js, REST API Development

Database: MongoDB, Mongoose ODM

Tools & Platforms: Git, GitHub, Postman, VS Code, Cloudinary, Vercel, Render, Nodemailer

Data Structures & Algorithms: DSA in Java, 50+ LeetCode problems solved

WORK EXPERIENCE

Software Development Intern — DRDO (Defence Research and Development Organisation)

February 2025 – May 2025 | India

- Worked on software development projects in a government R&D; environment
- Collaborated with senior engineers on real-world technical solutions
- Gained experience in structured software development lifecycle and team-based workflows

PROJECTS

CampusConnect — College Event Management Platform

React.js, Node.js, Express.js, MongoDB, JWT, Nodemailer | [Live Link](#)

- Built a full-stack web application for managing college events with student and organizer roles
- Implemented JWT-based authentication with role-based access control (RBAC)
- Features include event creation, registration, email verification, participant management, and CSV export
- Integrated Nodemailer for automated transactional emails on signup and event registration

WonderLust — Travel Listing Platform (Airbnb Clone)

Node.js, Express.js, MongoDB, EJS, Cloudinary, Passport.js | [Live Link](#)

- Developed a full-stack travel listing web application with CRUD functionality
- Integrated Cloudinary for image upload and storage management
- Implemented session-based authentication using Passport.js
- Added interactive Mapbox maps for location-based listing visualization

Personal Portfolio Website

React.js, Tailwind CSS | [Live Link](#)

- Built a fully responsive personal portfolio to showcase projects and technical skills
- Designed with modern UI using Tailwind CSS with smooth animations and transitions

EDUCATION

Bachelor of Technology — Computer Science Engineering

Bharat Institute of Technology | 2022 – 2026

Class 12 — Science (PCM)

Gurukul International School | 2022

Class 10

Gurukul International School | 2020

INTERESTS

Competitive Programming (LeetCode) | Mixed Martial Arts (MMA) | Open Source Development
